standards expectations career-ready policymakers implementation teachers support
purpose analysis quality data graduation
integrated achievement assessment classroom reforms progress
future effective choice Arizona accountability
transparency leadership opportunity decisions
initiatives

Where is the Data?

What is Arizona missing?

A close-up photograph of a woman with long, wavy brown hair, smiling warmly at a man. She is wearing a white cardigan with black horizontal stripes over a red top. The man, on the left, has long dark hair and a beard, and is looking towards her. The background is a warm, out-of-focus wooden interior.

**Getting to
the single
source of
education
truth**

Build the platform (technology)

To empower teachers

That gives transparency
and accountability to
school administrators

*Creation of
informed
policy*

Giving parents **REAL** data

Thank You
